## **AmCham EU statement on result of UK Referendum**

**Brussels, 24 June 2016** – While we respect the outcome of the UK Referendum, it is vital that the United Kingdom and European Union now focus on maintaining a deep and open economic relationship in forthcoming negotiations.

To remain competitive, it is critical that the European Union focuses on much needed reforms to steer the Union through this time of uncertainty and to ensure that no further disintegration takes place.

AmCham EU is staunchly committed to the European Union and will do what it can to ensure economic stability, security and growth going forward.
